

TRANSMITTAL SLIP		
9 November 1954 (Date)		
TO: Colonel L. K. White		
BUILDING Admin.	ROOM NO. 226	
REMARKS:		
<p>Since writing the attached summary regarding [REDACTED], I have obtained a copy of the Comptroller's memorandum to the PRC of 21 October 1954 on this subject. He recommends the construction program but does <u>not</u> recommend the inclusion of the central air conditioning plant since it was not included in the FY 55 budget, has not been cleared with the Bureau of the Budget, and a request for release from the reserve would be questionable.</p> <p style="text-align: right;"><i>H.
